

Dhan Trayodashi

2nd November

Kuber Sadhana

A unique and effective sadhana for gaining wealth, fortune, comforts, prosperity and attaining Lakshmi permanently in life.

Life is incomplete in present times without **wealth**. Also, it is a fact that a rich person is considered to be successful in today's world. **Kuber** is the **Lord of worldly riches** and through his **Sadhana** even a pauper can turn into a millionaire. So what more we need to say to perform this **Sadhana**?

Right from the birth of a human being, the Karmas of the previous lives gets attached. The actions of the current life either adds up with the sins or reduces the **ill effect** of those sins performed in the earlier lives. Hence, one must

try and act in a manner which can help us in gaining more merits than accumulating sins.

However, most human beings spent a major part of their life earning livelihood for their family. It is also a fact that most of us don't

have **enough money** to enjoy this human life. On the other hand, we see few individuals who have an enormous supply of wealth in their lives, they gain success in almost all the work that they take up and there is no dearth of worldly possessions in their lives. The more they spend, the more they have and they even earn more compared to the number of hours they work. The reason behind such a life is the blessings of the **Gods** and **Goddess** whom these individuals would have appeased in their current or earlier lives.

Lord Kuber is a unique deity who is blessed by both **Lord Shiva** and **Lord Brahma**. He is the treasurer of the Gods and when the Gods need **wealth**, they pray to **Lord Kuber**. A place graced by Kuber is invariably also blessed by **MahaLakshmi**, the **Goddess of wealth** and prosperity. Kuber rules over all the sources of wealth like **Padma, Mahapadma, Shankh, Makar, Kachhap, Mukund, Kund, Neel and Varchas**. He also commands divine beings like **Yakshas, Guyiks** and **Kinnars**. The divine damsels, **Apsaras**, serve him.

Each source of **wealth** called **Nidhi** can make one immensely rich and Kuber owns all the nine Nidhis. A **Sadhak** of Kuber is also blessed with the grace of **Lord Shiva** and **Lord Brahma** himself protects the home of such and individual. Venus who rules over **beauty, fortune, worldly comforts, marital happiness**, travels and music is a friend of Kuber and hence through the Sadhana of Kuber, one can win the favor of Venus as well.

No fire sacrifice (**YAGYA**), worship or festival can be complete without offering the prayers to Lord Kuber. Kuber, who rules the north direction, is worshiped not only in the middle of a worship or Sadhana but is also worshiped at the end when the person offers **flowers** chanting the **mantra**. One who regularly performs the **Sadhana of Kuber** is **blessed with success** in every field of life – **may it be trade, job or some business**.

Kuber Sadhana is equally effective for sudden wealth gain and for inheritance. Without performing Kuber Sadhana, wealth can never remain forever with the person in life. Kuber, like Lord Shiva, is very easy to please and bestows one with enormous boons. Thus one should include **Kuber Sadhana** in daily ritual to continuously attain His blessings.

Sadhana Procedure:

One needs **Kuber Yantra** and **Kamalgatta rosary** for this procedure. One also needs **a coconut, vermilion, saffron, copper tumbler filled with water, milk, flowers and sweets**. The most auspicious day to perform this Sadhana is **Dhan Trayodashi**, however, this Sadhana can also be tried on the **thirteenth day of bright fortnight of every month**. This Sadhana must be performed during early morning.

Get up early well before **sun rise** and take **a bath**. Get into **fresh yellow clothes** and sit on a **yellow mat** facing **north**. Take a wooden **plank** and cover it too with fresh **yellow cloth**. Place a **picture of Gurudev** and worship Him with **vermilion, rice grains, flowers** etc. Light a ghee lamp and an incense stick. Then chant one round of **Guru Mantra** with the **rosary** and pray to Gurudev for success in **Sadhana**.

Now make a mound of **rice grain** and place **Kuber yantra** over it. Next meditate on the divine form of **Lord Kuber**.

**Manujabaahyavimaan Varasthitam Garud
Ratnanibham Nidhinaayakam.**

**Shivasakham Mukutaadivibhosshitam
Vargade Dahatam Bhaj Tundilam.**

Next take some milk and offer a thin stream on to the yantra chanting the below mantra.

**Om Sheem Om Hreem Shreem Hreem Kleem
Shreem Kleem Vitteshwaraaya Namah**

Offer some **flowers** on the **yantra** and then chant **5 rounds** of the below **mantra** with the **rosary**.

Mantra

**॥ Om Ksham Ksheem Kshamaadhipatih
Aagachh Yakshaay Kuberaay Phat ॥
॥ ॐ क्ष क्षी क्षमाधिपतिः आगच्छ यक्षाय कुबेराय फट् ॥**

Offer **flowers** to the **Lord** to forgive for any mistakes committed during the **Sadhana**. If your home or business place is getting constructed then place the **yantra** there else wrap it in a **red cloth** and place it in your safe. **Tie the rosary in the red cloth and drop it in a river or pond**. Drop the yantra too after 45 days in a river or pond.

This Sadhana is undoubtedly amazing and **Tantra** texts have highly praised it. The place where this Sadhana is performed becomes a permanent abode of **Lakshmi**, the Goddess of **wealth and prosperity**.
