Vashikaran

Samohan Sadhana

Which can even make
a stoned hearted
person fulfill your wish

Indian Tantra is very vast and has solutions to all sorts of problems a person can face in life. All one need is to properly follow the guidelines and perform the sadhana as per the procedure mentioned in these great scriptures. Success starts from the point the person starts to develop faith in this field. If a person doubts them, then no matter how much effort is put into the sadhana or how many times the procedure is repeated, the sadhana can never result in success.

Our tasks, thought process, behaviour, culture and clothing changes as per the era we lived into. On one hand, where we worship Lord Ram as the ideal human being, we also worship Lord Krishna who

loved thousands of Gopis in His life. He had full control over all His senses and could thus change His behaviour as per the circumstances. He had the attraction using which He was able to even hypnotize His enemies. In other words, Lord Krishna was a pioneer in all the Tantra Sadhanas.

On one hand where Krishna Janamashtmi is celebrated as the incarnation day of Lord Krishna by his devotees, Tantriks eagerly await this night as it holds special significance in the field of Tantra. It has been mentioned in a great Tantrik text that the epicenter of hypnotism is Lord Krishna and thus sadhak gain success quickly in hypnotism sadhana if the

sadhana is performed on this day. It has been mentioned in Yogini Tantra that one cannot speak about the significance of Krishna sadhana with thousands of tongues and lakhs of mouths.

Sadhana Procedure: One needs **Lord Krishna picture energized with hypnotism mantras, Vashikaran Rosary and Vashikaran amulet** along with unbroken rice grains dyed in turmeric, flowers, a big clay lamp and cotton dyed in black color for this sadhana. The sadhak must clean up his worship place with water (preferable from a pond or well) and sprinkle it with a red colored flower chanting the below mantra.

Mantra

**|| Om Namō Alaukayai Alaukayai
Sarvajanam Vasham Kuru Kuru Hum ||**

Now take a bath and get into fresh yellow clothes. Sit on a yellow mat facing south and place a wooden plank before you. Cover the wooden plank with a fresh yellow cloth. Place a picture of revered SadGurudev on it and worship Him with vermilion, rice grains, flowers etc. Now take the clay lamp and fill it with sesame oil; take a big lamp to ensure the lamp remains lit throughout the night. Then chant one round of Guru Mantra and pray to Gurudev for success in sadhana.

Now take a plate and place it next to the lamp and put Vashikaran amulet in it. Make a circle of yellow dyed rice around both oil lamp and plate (one circle for oil lamp and another for the plate). Now place Lord Krishna picture next to Gurudev's picture and worship the picture with vermilion, rice grains, turmeric, sesame seeds, flowers etc. Worship the amulet too with all these articles.

Now take a copper plate and put it just above the lamp to collect the lamp black.

When a significant amount of lamp black gets deposited on the plate, collect it in a box and mix it well with some butter or clarified butter. Make a mark with this lamp black on the amulet as well as on your forehead and keep the rest safely.

Now start chanting the below mantra with the Vashikaran rosary and continue to chant till mid-night.

Mantra

**|| Om Ayiem Kleem Hreem Sreem Galum
Bloom Hsau Namah Kaameshvari
SarvaSammohaya Krishne KrishnaVarne
KrishnaambaraSamanvite
Sarvaanaakarshaya Aakarshaya
Sheeghram Vasham Kuru Kuru Hum
Ayiem Kleem Shreem ||**

॥ ॐ ऐं क्लीं ह्रीं श्रीं ग्लौं ब्लूं हसौ नमः कामेश्वरि
सर्वसम्मोहय कृष्णे कृष्णवर्णे कृष्णाम्बर समन्विते
सर्वानाकर्षय आकर्षय शीघ्रं वशं कुरु कुरु हुं ऐं
क्लीं श्रीं ॥

This is a highly energized mantra and it's as effective as a bullet. Sleep the night at the worship place after the mantra chanting thinking about lord Krishna. Ensure the lamp remains lit the entire night. Wear the amulet the next morning around your arm or your neck. Drop all the sadhana articles in a river or pond the next day.

Wear a mark of the lamp black the day you want to discuss something important with someone or when you want to make someone favourable for you. You will be left astonished to see how the person eagerly takes up your idea and is willing to work on your terms and conditions.
