VijayDashmi is an auspicious time when a person can win over any enemy of life - may it be poverty, ill health, failures etc. This is the day when Lord Ram killed Ravana and similarly we can also kill all the shortcomings of our life on this day. Presented here are three short Tantrokt sadhanas of Goddess Durga related to various aspects of our life. If performed with full devotion, one can see the results from the very next day. These sadhanas have been tried and tested time and again and they always emerged as a winner...

AGHOR DURGA SADHANA

The field of Tantra is so enchanting that one can attain what all a person wishes for in life. This sadhana is one such astonishing sadhana. We very commonly hear the word hypnotize and normally associate with attraction within human beings. However, there are sadhans using which one can even hypnotize the Gods. Presented below is one such sadhana which can be used to hypnotize Goddess Lakshmi by the grace of Goddess Durga.

This sadhana was shared by a Tantrik. He never ever carried a bag with himself and his hut didn't have anything. However he used to feed hundreds of

people every day; he used to provide money to the needy people and buy groceries from the shops in cash. There always remained an abundance of wealth in his life. Once I asked the Aghori about the secret and he told me that he has hypnotized Goddess Lakshmi and that She follows his commands. She brings him whatever amount of money he asks for.

One needs 15 pieces of Chrimi, Hakeek, IndraJaal and a coral rosary for this sadhana. Take a bath around 12 at night and get into fresh yellow clothes. Sit on floor without any mat facing South and place a wooden plank before you. Cover the wooden plank with a fresh yellow cloth. Place a picture of revered Gurudev and worship Him with vermillion, flowers, rice grains etc. Chant one round of Guru Mantra and pray for success in sadhana.

Next make 15 marks with vermillion on the floor in a horizontal straight line. **Then create 3 triangles in front of these 15 dots with vermillion. Write** "लक्ष्मी," कुबेर and "श्रीं" in each of the triangle (one word per triangle in the sequence from left to right). Now light 15 oil lamps and make a mark with vermillion on each one of them. One must ensure that the wicks should be pointing towards the sadhak. Now place the *Chirmi pieces* in front of first triangle, *Hakeek pieces* in front of second triangle and *Indrajaal pieces* in front of third triangle. Then chant 3 rounds of the below mantra using coral rosary.

<u>Mantra</u>

Om Chali Chali Ili Ili Alum Alum Om

।। ऊँ चली चली इली इली अलूं अलूं ऊँ।।

Then make a bigger triangle in front of these 3 triangles and write "लक्ष्मी",

''कुबेर'' and "श्रीं" within the bigger triangle. Pick up all the Chirmi, Hakeek and IndraJaal pieces in your right hand and then place your right hand within the bigger triangle. Now put all these pieces within the triangle and go out of the worship place. Take a bath and then have your dinner.

Next day, wrap all the pieces of Chirmi, Hakeek and IndraJaal in a red colored cloth and place it within your safe or let it remain at your worship place. Drop the rosary in a river or pond. Till the time the pieces of Chirmi, Hakeek and IndraJaal remain in your house, Goddess Lakshmi is bound to stay there and bring peace, harmony and prosperity in your life.
