*The
festival to
remove
all the
hurdles
from life*

HOLI SADHANA

Holi is a complete festival and the positive effect of the celestial alignment that is generated in the environment during this night is incomparable. One has to wait for an entire year to get an opportunity to perform sadhana under such energized environment. Also, one year is a very big duration and one can't remain sure that the coming year he or she will definitely be able to perform the sadhana. Thus the wise people takes the advantage of the opportunities that comes their way.

Holi is the festival of energy and colors. However, it is not just that we need to color ourselves externally but this festival is a symbol to color oneself with joy, happiness, good health and all the positivity of life. The Tantriks and

sadhaks do understand the value of Holi's night as it is not any normal night. It is an energized time which is very much suitable to perform various sadhanas and gain success in them. This night is capable enough to transform all the misfortunes into fortunes.
