## HRIDSYANGAM MATANGI SADHANA

I am going to share a secret of my life which has been kept within my heart from last several years. This secret is about a special Sadhana using which I have been able to overcome all the shortcomings of my life. This secret is about a special Sadhana using which I have been able to eradicate poverty from my life. Today I am a highly successful person of this society, I own a big house, there is abundance of wealth in my home, I have a son and a daughter and everything around me speaks about my prosperity. However there was a phase in my life when I was in neck deep trouble.

I was around 25 years old at that time. I had a lean figure, was mentally weak and was facing financial crisis in life. It was the time when society and everyone around me were continuously attacking me. My business had failed tremendously, I was under huge loan, there was scarcity of food in my house, we had reached to that level of poverty where we were forced to wear torn clothes and almost everything of my house was kept on mortgage. I didn't have the physical strength to relocate to some other location and start my new business.

All my acquaintances had shut their doors for me and I was fed of daily quarrels at my home. These daily quarrels made me even more mentally weak.

No matter what task I took in my hand, I faced failure in it. Everyone started to think that I was lazy and useless. Society didn't give me anything apart from curses, harsh words and demoralization in life. I was fed of listening to these words daily. I used to pray to God to take away my life instead of showing me such bad days. I was even tormented by the fact that my own family started to think that I was useless.

And finally, one day my patience deserted me and I started to think about committing suicide. I knew I was left with no other alternative in life. One day, I finally left the home leaving a letter that I am going to end my life and no one should come to search me. There was a river some 15 kms away from my home. I quietly left the letter in the wardrobe and walked towards the river. I went to a lonely location and jumped into the river.

However to my dismay, I didn't drown in the river. When I gained consciousness, I found

myself lying on a lonely river bank. I felt so frustrated with my fortune that it cheated me here too. I looked around the bank and found a small hut which was mostly covered by trees. I walked towards that hut and found a sage into deep mediation. I walked further towards him. He opened his eyes and said to me, **“Come my child! Don't be afraid. I know everything about you. I also know that how much you have been tormented by this society. You must stay here with me for some time.”** Listening to his kind words, I started crying and felt into his feet.

I agreed to stay with him as I didn't have any other alternative at that time. I stayed with the sage for next 10-15 days and served him whole heartedly. I used to wake up earlier than him, used to arrange for his daily needs, then I used to go to jungle to bring some dried sticks to cook food for him and used to sleep only after the sage.

He was extremely happy with my service. I didn't have any problem staying with the sage, however I used to get sad whenever I thought about my family. The sage came to know about my situation and one day he called me and said, **“I know you are worried about your family. It is also the right time for you to go back to your family now. However, before that, I am giving you a secret Sadhana using which you will able to life a comfortable and respectful life in the society. You will be able to silence your criticizers by the grace of this Sadhana. You will stand tall against this society who forced you to commit suicide, by means of this Sadhana.** You should get up early tomorrow and perform this Sadhana under my guidance.”

The next day, I performed the Sadhana during **Brahma Muhurt** and as a positive outcome of the Sadhana, I am living a highly satisfied life now. This Sadhana is related to Goddess Matangi. She is the mother Goddess who removes all sorts of pains and poverty from the life of Her devotees and bestows all the worldly pleasures on them. This Sadhana is called **Hridayangam Matangi Sadhana**. Goddess Matangi resides in the heart of such Sadhak and bestows all the worldly pleasures on him.

the best Sadhanas. A person who has successfully performed this Sadhana gets the benefits like good health, wealth and mental peace in life. And my life is such a bliss just because of this Sadhana. This is one such Sadhana which can transform the life of a person in one day only.
