

Perform these special
Lama Tantrukt Sadhanas
to fulfill various desires on the
occasion of Lunar Eclipse

Moon is the owner of **mind, feelings, imaginative power, fame, music, money, prosperity, beauty, sweetness, sharp mind, character etc.** There are several **Sadhanas** related to these aspects of life. However the issue that arise before us is how we can perform several Sadhanas within a short span of time. If one wishes to attain both attractive **personality** and **wealth**, then one has to perform two

Sadhanas.

We all know that there is no limit to desires....someone wishes to become great in the field of music, someone wishes to become the richest person on earth, someone else wishes to gain the most attractive personality, someone wishes to gain confidence in life, someone wishes to marry the partner of his or

her own choice, someone else wishes for name and fame. It is very natural for any human being to be full of desires. If a person doesn't have any desire, then there is no difference between that person and animal. However, if a person is unable to fulfill the desires even after the best efforts, frustration creeps into the life of such a person.

Moon is famous for its **beauty** and soothing nature. Moon is considered to bestow all the materialistic and household pleasures. **Thus performing Sadhana during lunar eclipse duration helps one to gain all the materialistic pleasures as well as to gain beauty and health in life.** One can also get rid of all the **troubles** by performing Sadhanas during lunar eclipse.

Lama Sadhanas are the simplest and purest **Tantra Sadhanas based on Buddhism.** Lama is a designation which is given to a person who has gained knowledge from his Guru and has been chosen to flourish this knowledge

further. Lama Tantra is not a hidden Tantra and SadGurudev too stayed in the hermitage of these Lamas and performed various Sadhanas.

The ancient texts have mentioned the human body to contain the entire universe within itself. Thus this means that being within our body, a human being can gain full control over this entire universe and can bring a lot of changes. Thus hypnotic power, bringing complete transformation in one's appearance etc. are very small changes which can be easily obtained by means of **Sadhanas.**

The eclipse duration is a blessing for all the Sadhaks. It is greatly energized to bring a windfall of fortunes in the life of a person. Presented below are few Lama Sadhanas which are very effective and if performed during the eclipse can give a cent percent result. All the disciples and Sadhaks are encouraged to perform these short Sadhanas during the eclipse duration and make a "U turn" from the path of miseries, poverty, fear, diseases etc.
